PACKAGES

MALLNITZER BERGADVENT

Immerse yourself in the magical world of Mallnitzer Bergadvent and experience unforgettable moments with your family!

Our exclusive package is your way to an incomparable winter adventure. In the heart of the picturesque mountain landscape, a „Sternderl schau“ drawstring backpack awaits every family, filled with exciting surprises for young and old. Each child receives a labyrinth game, a colouring booklet including pencils and a Freddy the Bat treasure map (there is a small surprise for each fully completed treasure map). It's the perfect way to inspire your little ones' curious minds in a fun way.

Your adventure continues with an exciting free ride on the Christmas-Express, which takes you through the snowy winter landscape. But that's not all!

Our package also includes admission to the fascinating „univerzoom nationalpark“ exhibition at the BIOS Nationalparkzentrum. Here you can experience the wonders of nature up close and deepen your knowledge. It's an opportunity to discover and appreciate the treasures of our national park. And for those looking for even more action, there's a ticket for tobogganing by the magic carpet at HochOben. Toboggan down the snow with your family.

Our package not only offers you an extraordinary experience, but also unforgettable memories that will bond your family forever. Don't miss the opportunity to enjoy the Mallnitzer Bergadvent to the fullest. Get your package and immerse yourself in a world full of joy, adventure and magic!

Discounts: € 2 on all packages with the digital Nationalpark Gästekarte and € 4 on the family packages with the Kärntner Familienkarte
